

# WOLF-14

## NIGHT VISION MONOCULAR

The Wolf-14 is a high-tech, durable and versatile Night Vision monocular that delivers great performance at a reasonable price. Packed with high-tech features, the Wolf-14 is equally suited for security professionals as it is for hunting and recreation.

The Wolf-14 can be hand-held or mounted on a headgear. A specialized mount enables the ability to mount in front of a camcorder or camera makes it ideal for night photography. With a variety of compatible lenses, long-range nighttime viewing is available in seconds. The Wolf-14 features bright light shut-off circuitry and a built-in spot/flood IR illuminator. The Wolf-14 can be equipped with high-performance Gen 2 image intensifier tubes in green or white phosphor.
